Bill for a person

Invoice list

Printable invoice

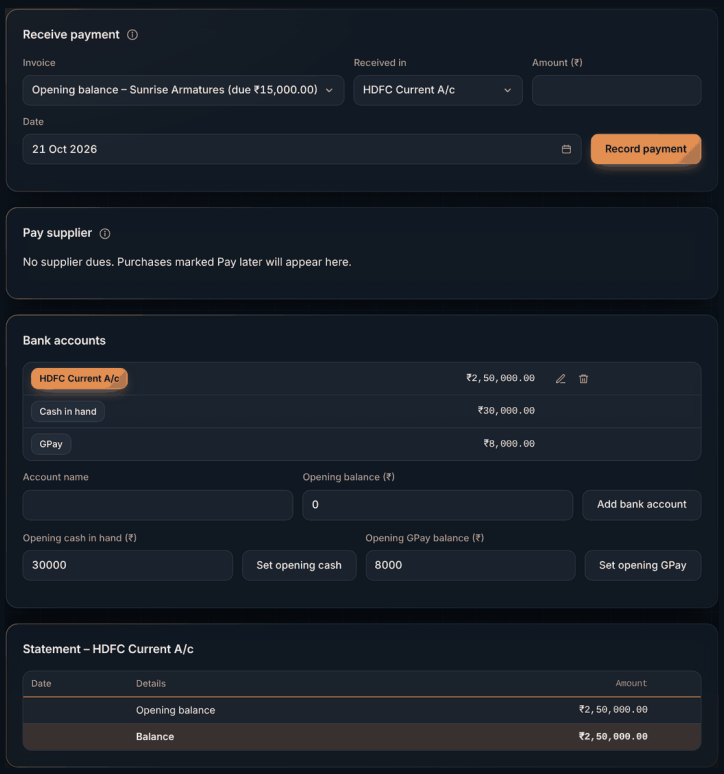

INV-0001: 1,000 × ₹95 + CGST 9% + SGST 9% = ₹1,12,100. Interstate sales use IGST.

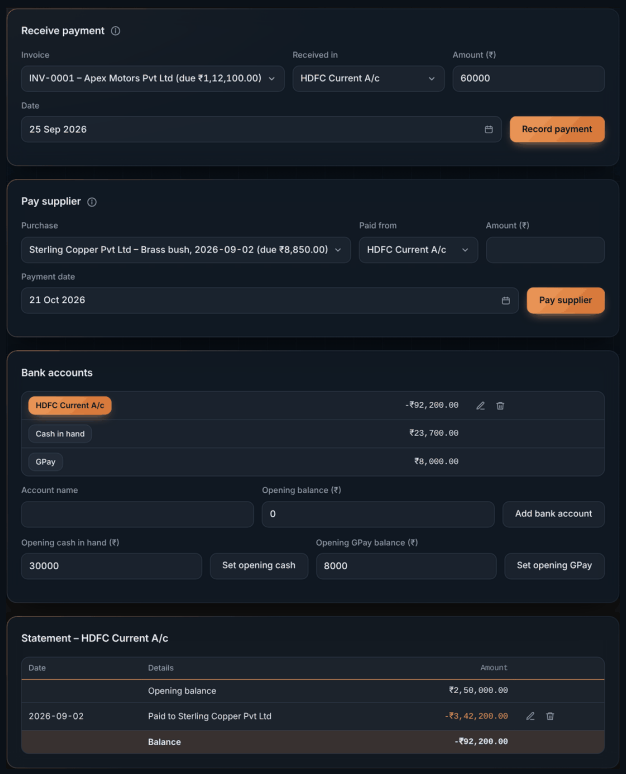

6. Banking and payments

Add bank accounts, then receive from customers and pay suppliers. Cash and GPay are built in.

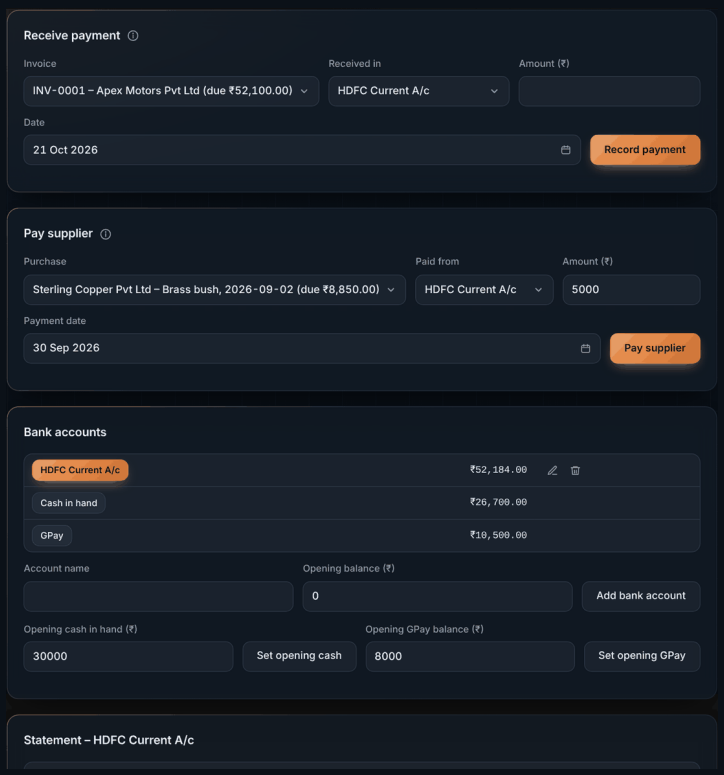

Bank accounts

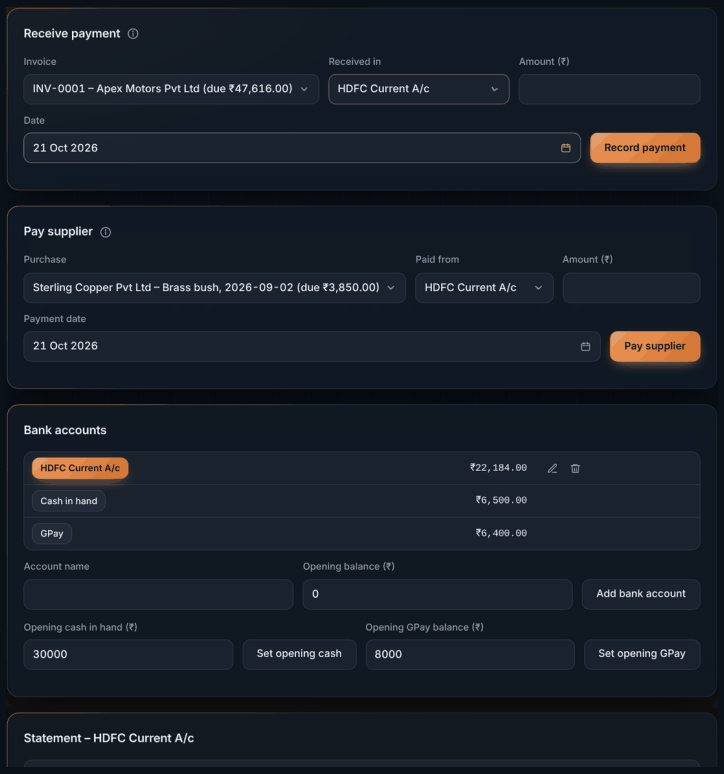

Receive payment

Pay supplier

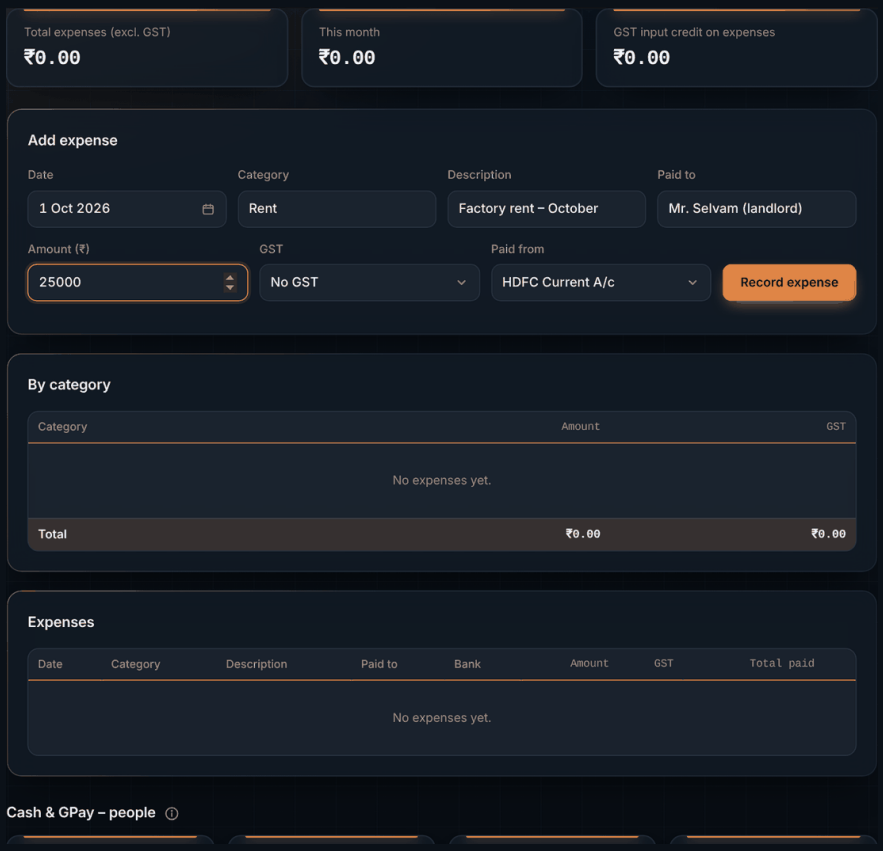

Account statement

Bank ₹22,184 · Cash ₹6,500 · GPay ₹6,400 after the month.

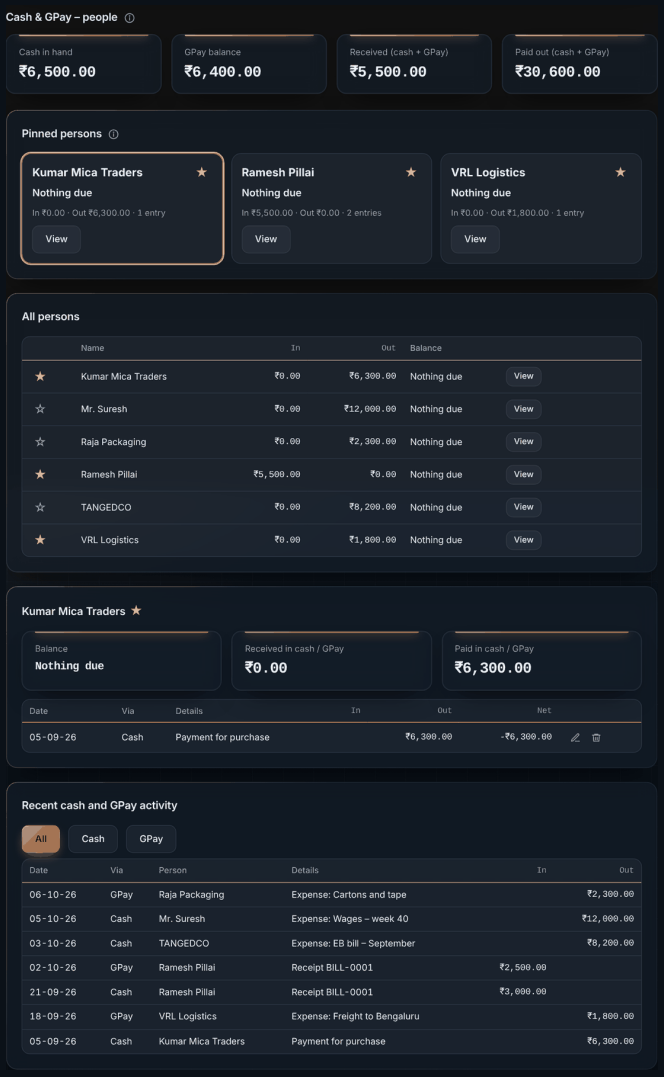

7. Expenses

Record rent, power, freight and wages against bank, cash or GPay.

Cash and GPay people

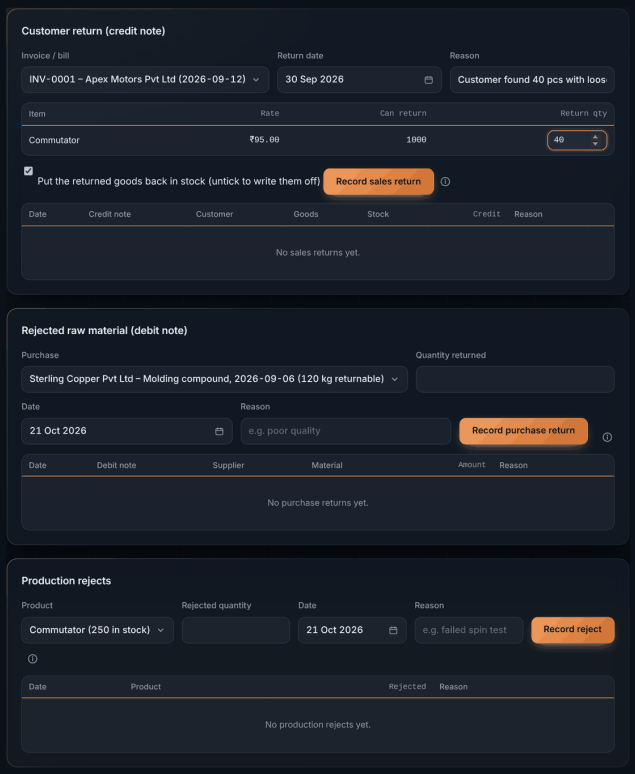

Every person paid or received in cash or GPay appears at the bottom of Expenses. Pin the ones you track to see balance and history.

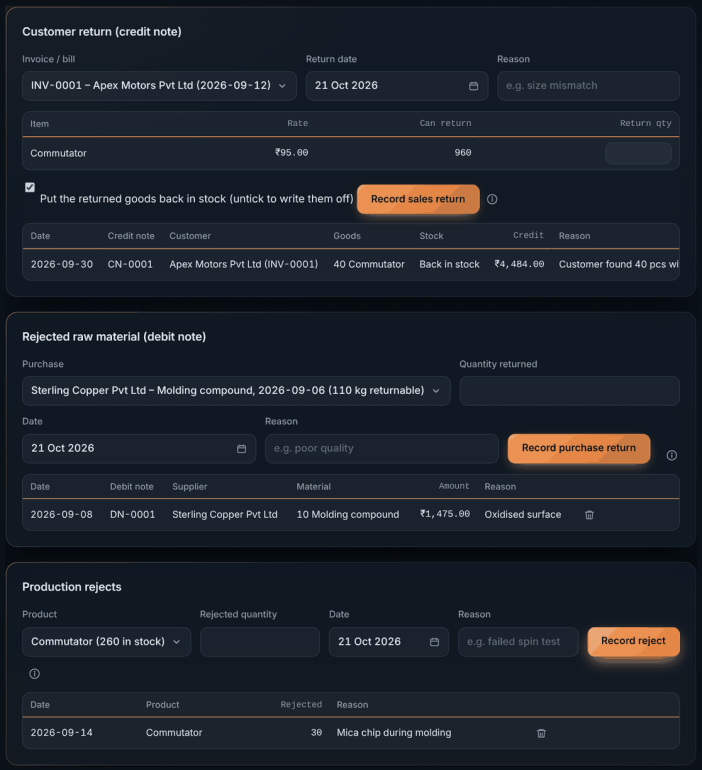

8. Returns and rejects

Sales returns issue a credit note. Purchase returns issue a debit note. Rejects reduce stock.

Record a return

Returns recorded

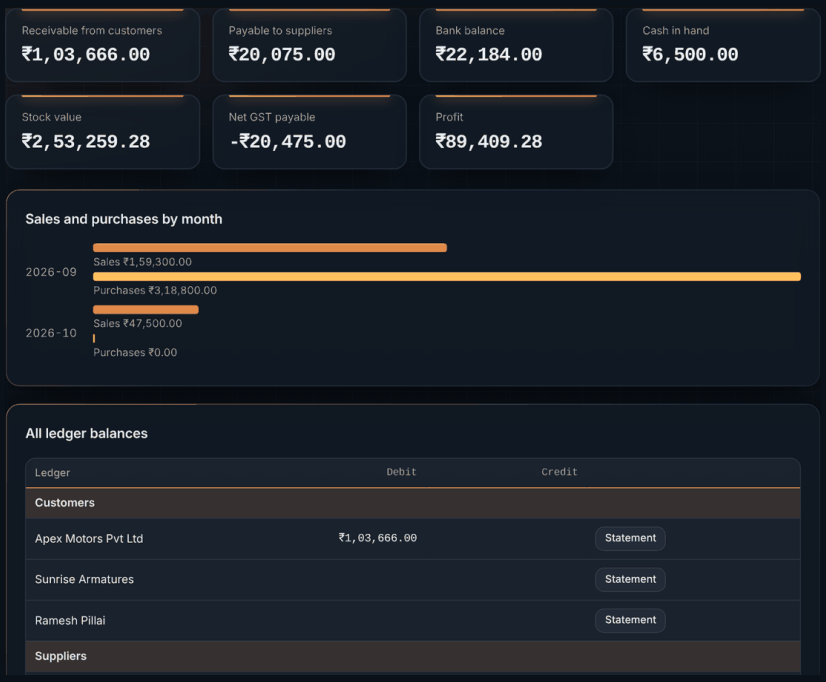

Apex returned 40 pcs against INV-0001 → credit note ₹4,484.

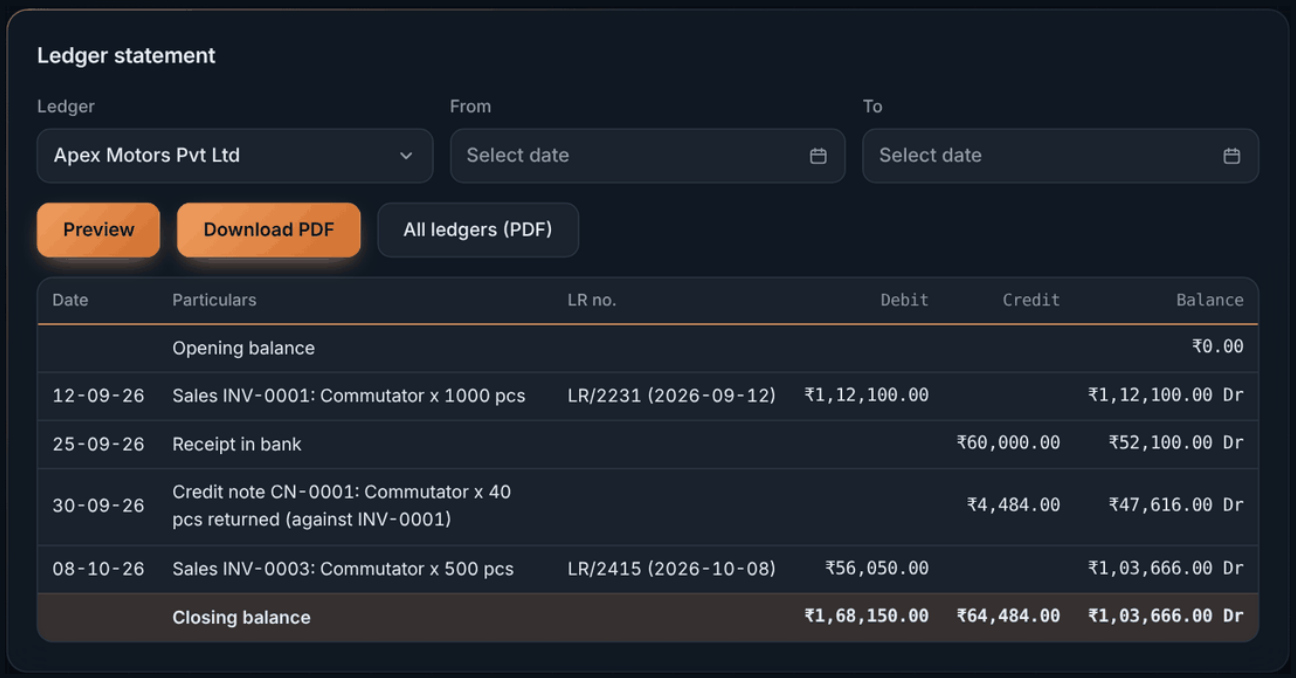

9. Ledgers

One statement per customer, supplier or account. Preview, print or download as PDF.
